Maple Systems has been chosen by Inc. Magazine as one of America's Fastest Growing Private Companies for the year 2013.

We recognize that the success that Maple Systems has enjoyed over the past year would not have been possible without the support and trust of our customers. We would like to take this opportunity to thank you for your loyalty.

Looking forward to 2014, we will continue to work hard to deliver high quality industrial operator interfaces that meet or exceed your expectations. We call this "the Maple Standard" and it remains our commitment to you.
